

## **IAIN CONN**

In his role as an executive director of the BP Group, Iain Conn has regional responsibility for Europe, including the UK, together with Russia, the Middle East, the Caspian and Africa. He has functional responsibility for Health, Safety & Environment, Human Resource Management, Marketing, Technology, Digital Business, Security, Procurement and Pensions Operations.

He was previously chief executive of BP's petrochemicals segment, the third largest petrochemicals business in the world, with over 16,000 employees and large-scale manufacturing plants in the Americas, Europe and Asia.

Before that he worked in BP's refining and marketing segment as group vice president responsible for BP's marketing operations in Europe. He was also responsible for the integration of Veba Oel into the BP organisation and had regional responsibility for BP in Europe. Additionally he was a member of the executive committee for BP's global refining and marketing business. Previously he held responsibility for markets in Asia, Africa and Latin America.

His career with BP began in 1986 in commercial refining and oil trading but since 1993 he has spent time in various roles in Exploration & Production, Refining & Marketing and in Group headquarters. He has had overseas postings to Italy, Colombia and the United States.
